First-Week Paperwork Checklist

Everything that comes home the first week of school, tamed in one place.

HOW TO USE THIS SHEET

Put this on the fridge or next to your coffee maker during the first week of school. Every time a folder comes home, jot the due date in the blank for anything that applies, then check the box when it is handled. Kids bring paperwork in waves — when something new lands, add it to the blank lines at the bottom. Toss it in a drawer when it is done — the rest of the kit takes over from here.

Tip: keep a single manila folder labeled “Return to school” inside the backpack. This checklist tells you what goes in it — the backpack-folder map (sheet 3) shows where it lives.
