Permission-Slip & Field-Trip Log

One line per trip: signed, paid, chaperoning, and what to pack.

HOW TO USE THIS SHEET

Every time a permission slip comes home, write one line here *before* you sign it — the Cost and Paid columns are where the real surprises happen. When the trip is over, mark the last box and stop thinking about it. This log doubles as a memory keeper: years later, these lines read like a little scrapbook of zoo trips and pumpkin patches.

SEASON TOTAL SPENT ON TRIPS / FEES THIS YEAR: _____ **INSURANCE-WAIVER FORMS STILL PENDING:** _____

VOLUNTEER SCREENING ON FILE? (MANY DISTRICTS NEED A BACKGROUND CHECK BEFORE YOU CHAPERONE)

- ☐ Cleared to chaperone — date cleared: _____
- ☐ Emergency meds packed in kid's backpack on trip day (nurse card, sheet 7, has the list)

Tip: "What kid needs" usually means a sack lunch, water bottle, and old shoes. Write it while you still remember the note from school — the morning of the trip you will forget.
